Coffer

Ceilings

Select hardwood moldings are pre-engineered and precision cut to offer the warmth and classic elegance that is the key to prestigious ceilings.

Coffer represents craftsmanship that reflects the nostalgic past most often identified with traditional millwork.

Coffer creates a geometric three-dimensional beam and panel appearance.

Coffer components include: Coffer, Lid (panel), and decorative Grid Cover, and are available in either Traditional (scroll) or Modern (straight) designs.

Coffers are easy to install using 15/16" HD T-grid. The Coffer System is 100% accessible.
